ORDER

OSTEEN, District Judge

In this Standing Order 30 proceeding, the Magistrate Judge has recommended that Plaintiff John Bussian and Intervenor's Renewed Motion for Class Certification be granted insofar as a plaintiff class be certified. Defendants filed objections and Plaintiff and Intervenor's filed a response to Defendants' objections.

This court has conducted a review of the file and has determined that the recommendation of the Magistrate Judge is appropriate and should be adopted.

For the reasons set forth in the Magistrate Judge's recommendation of April 23, 2007,

IT IS ORDERED that Plaintiff John Bussian and Intervenor's
Renewed Motion for Class Certification is GRANTED (Doc. No. 83)
insofar as the following plaintiff class be certified:

the Plaintiffs and all other North Carolina persons
similarly situated; to wit, all present and former
owners and lessees of model year 1998-1999 Dodge
Durangos and two-wheel drive vehicle model year 2000-
2003 Dodge Durangos who have suffered actual injury,
that is, who have sold their Durangos at a reduced
amount, or replaced their Durangos' ball joints, or
experienced property damage because of ball joint
failure, either to other components of their Durangos
or to other property.

This the 18th day of June 2007.

United States District Judge
